### Report of Auditing Committee.

The Committee appointed to audit the books of the Conference Treasurer, L. L. Jester, beg leave to report that the records of all moneys received from every source have been correctly and systematically kept and the receipts and vouchers show proper disbursement.

We note with gratitude an increase of \$5,099.68 in collections over last year.

We wish to commend Bro. Jester for the excellent and efficient work he has rendered our conference.

### Report of the Secretary of the Board of Missions for 1907.

The sixty-two charges that have had aid the past year from the Board of Missions have been well served, and have enjoyed more than average prosperity.

These shepherds were sent out a year ago to serve eleven thousand one hundred and forty-nine members, among whom were one hundred and forty-three Sunday Schools with seven thousand seven hundred and forty-two scholars and sixteen Senior Leagues. The Board aided in the support of these shepherds to the amount of eight thousand three hundred and thirty dollars (\$8,330.00).

The reports from these fields almost uniformly indicate an increase in the membership of the Church and of the Sunday Schools, as well as in the finances. There has been a gratifying interest developed on many of these charges in the support of the ministry and the general benevolences of the Church. This increased interest is evidenced by the increased correspondence with the Secretary, and an evident desire to co-operate with the Board in developing the spirit of self support. One important feature of the new interest in missions in our Conference is the large and growing desire among these charges receiving aid, to get off the Board and help to enter other fields. But for the stringency of the past few weeks, at least four charges that asked to remain on the Board would have been off, and many others would have needed less.

Another feature of encouragement is the work done in the Sunday Schools in the way of special collections. The largest amount of this collection from the Sunday School was for Laurens Institute in Monterey, Mex. Out of about one hundred and ninety shares of ten dollars each already placed, at least one hundred and fifty of them were placed in Sunday Schools; it is safe to say that in the distribu-

tion at least one hundred and fifty Sunday Schools, out of four hundred and twenty-eight, have made subscriptions to this fund. A number of our Sunday Schools and Leagues have made offerings to Songdo, Korea, as well as other places.

The collections on assessment have been the largest in the history of the Conference. The receipts from the various districts are as follows:

Beaumont District: Deficit on foreign, \$53.50; domestic, \$1.50.  
 Brenham District: Deficit on foreign, \$131.70; domestic, \$141.80.  
 Calvert District: Excess on foreign, \$147.50; domestic, \$165.00.  
 Houston District: Deficit on foreign, \$11.88; domestic excess, \$4.75.  
 Huntsville District: Deficit on foreign, \$116.19; domestic, \$17.75.  
 Jacksonville District; Excess on foreign, \$34.90; domestic deficit, \$46.10.  
 San Augustine District: Excess on foreign, \$65.25; domestic, \$51.00.  
 Pittsburg District: Excess on foreign, \$459.10; domestic, \$513.50.  
 Tyler District: Foreign deficit, \$54.90; domestic, \$64.19.  
 Grand total for the Conference, foreign excess, \$338.58; domestic, \$463.05. The total excess for both \$801.63. The banner district is the Pittsburg District, and the banner station is Pittsburg Station. The second best district is the Calvert District, and the second best station is Marlin Station, as measured by payments on assessments.  
 The Board fixed the assessments for the coming year at ten thousand dollars (\$10,000.00) each for foreign and domestic, which amounts the Board has distributed as follows:

**Report of the Conference Board of Education.**

**General Board.**—The report of the General Board of Education was before us, from which we learn that the total revenue of the General Board from its assessments, last year, including that for Paine and

Lane Colleges, was \$22,004.89. The new assessment, which includes all departments of the Board's work in one classification, is \$50,000. Under this plan your annual assessment for the quadrennium is \$1,755.00. It is very important that this be raised in full, for the following reasons: First: The Board is aiding in the development of education in our domestic mission fields. Second: It is enlarging its work for the education of pastors, teachers and Christian leaders of the colored race. Third: As the work of the Correspondence School enlarges, its expenses necessarily increase.

**Educational Commission.**—We have had under our consideration the report of the committee appointed by the Dallas Educational Convention, looking to the establishment of an Educational Commission in Texas. We recommend the adoption of the report of the committee appointed by the said Educational Convention, which has been heretofore published.

**Southwestern University.**—We note with pleasure the continued prosperity of the Southwestern University, and take notice of the sore need of additional professors and better equipment in order to adequately do the work which the Church demands. During the past year more than \$140,000 has been subscribed on the Endowment Fund, and 1,044 students have been in attendance, 332 of which have been in the Collegiate Department, being a greater number of collegiate students than is found in any Methodist college in the South. We recommend the continuance of the effort on the part of Texas Methodism to raise an Endowment Fund of \$500,000.00. We further recommend that E. W. Solomon be elected Trustee, instead of V. A. Godbey, transferred. We also recommend the confirmation of Judge M. D. Slator of the West Texas Conference, Hon. R. L. Henry of the Northwest Texas Conference, Hon. R. E. Brooks of the North Texas Conference, and Hon. R. A. John, of Texas Conference, as Trustees of Southwestern University, they having been elected by the alumni of the several Conferences. We recommend that a change be made in the by-laws of Southwestern University, so that a Bishop of the Methodist Episcopal Church, South, may be elected as Trustee of the said University, by vote of the members of the Board.

We desire to express our thanks to the Texas Christian Advocate and to Dr. Bradfield, for services rendered during the past year, and ask that such services be continued for the following year. We also hereby express our hearty appreciation to Dr. J. E. Harrison for having inaugurated the movement which has resulted in raising such a large sum for the Endowment Fund.

**Chappell Hill Female College.**—We recommend that T. S. Williford and J. E. Willis and T. F. Cox be appointed Trustees of the Chappell Hill Female College, and T. G. Whitten, Financial Agent.

**Alexander Collegiate Institute.**—We recommend that J. W. Mills, John T. Garrison and W. A. Abney be appointed Trustees of Alexander Collegiate Institute, instead of J. L. Douglas, resigned; J. W. Downs, transferred, and A. M. Duke, whose time has expired, and that T. J. Milam be continued as Financial Agent.

**Secretary of Education.**—We recommend the appointment of W. W. Watts as Conference Secretary of Education.

**Assessments.**—We recommend the following assessments for the Conference year, being the same as last year:

Educational Extension .....	\$1,755.00
Southwestern University .....	3,900.00
Summer School of Theology .....	200.00
Alexander Collegiate Institute .....	1,000.00
Chappell Hill Female College .....	500.00

**Vacancies.**—We nominate S. R. Hay, W. J. Johnson and G. W. Davis to fill vacancies occasioned by the transfer of V. A. Godbey, W. M. Crutchfield, and the resignation of I. F. Betts, in the Conference Board of Education. We recommend that J. N. McCain be appointed student in Southwestern University.

**Episcopal Parsonage.**—We recommend that that portion of funds belonging to the Texas Conference, accruing from the sale of the Episcopal parsonage to be donated to the liquidation of the debt on the Medical college of Southwestern University, all the other conferences having made a like disposition of their portion of said funds. And, also, that we grant the request of the Woman's Home Mission Board asking that the proceeds of the sale of the furniture of said parsonage be donated to the Methodist Dormitory at Denton.

**Scarritt Bible and Training School.**—We desire to make special mention of the Scarritt Bible and Training School, which has for its object the education of young women for Christian service. We recommend to the ministerial and lay delegates that they test its advantages by entering the young women of their families and churches as students. The work of the Institutional Church is closely allied with it. The enrollment this year numbers 72, the largest in its history, and the quality of its students is exceptionally fine.

**The Correspondence School.**—The Correspondence School has grown to be a very important part of our work. It is now conducting five departments, Extension Library, the Quiet-Hour League and the Vanderbilt Biblical Institute. They are now offering, by correspondence, five popular courses for young people, four Conference Courses, and twenty-two University Courses, making a total of thirty-one different courses. The school has enrolled during the past year 1,017 students. We recommend that all our undergraduates take the correspondence course, and as many others who may be able to do so, take the post-graduate courses.

On this date there has been presented to us a proposition by the Western Land Corporation, looking to the establishment of a Methodist School in Houston. It comes too late for us to fully investigate the proposition, therefore we recommend that the matter be referred to a committee composed of the following: The Presiding Elder of the Houston District, the Methodist pastors of Houston, and J. B. Turrentine, Nathan Powell and H. C. Pritchett; and that the Presiding Elder of the Houston District shall call the committee together at his discretion.

**Summer School of Theology.**—We commend to the preachers of this Conference, the Summer School of Theology of Southwestern University, and especially urge on the younger members an attendance on this school.

The Texas Conference feels that it is under obligation to Bishop Candler for his abundant labors in the interest of Southwestern University, and desires to express its thanks for his efficient work in this cause.

Respectfully submitted,

W. W. WATTS, President,  
NATHAN POWELL, Secretary.

#### The Report of the Church Extension Board.

According to data referred to us by the Corresponding Secretary, Dr. W. F. McMurtry and that obtained by what we have done as a Conference, we feel that it is quite impossible to exaggerate the benefits which have accrued to our Church from the administration of

the funds, either by the General or Conference Board. For twenty-five years the comparatively meager assessment which has been collected and placed in the hands of those elected to administer it, has resulted in larger benefit to us than almost any other resource placed at the disposal of our Church. The Church extension work, beginning twenty-five years ago, has disbursed \$2,116,800.91 to build churches in whole or in part—for congregations unable to build for themselves. Many of these congregations have grown in every direction—in wealth, in spirituality and in numbers, and are now able to pay back into our treasury a good interest, and the investments on this behalf would show a wise business policy, which multiplies its blessings many fold to the Church. By housing struggling congregations too poor to build for themselves, we thus save them to our Church, increase their sense of obligation to our connectional interest and helping them into that condition in which they become annual contributors to all the institutions of the Church.

Of this \$2,116,800.91, \$737,640.58 has been appropriated by the several Conference Boards to churches within their own boundaries—while \$659,098.30 has been given to churches throughout the connection by the General Board. The balance of \$720,062.00 represents the amount of loans made by the General Board. The total of loans and donations administered by the General Board amounts to \$1,379,160.33.

The number of churches aided by the General Board and Conference Boards since the beginning of the work is 6,637. This is more than five and one-tenth churches for every week of the twenty-five years—More than 40 per cent of all our churches.

The past year the Conference Boards have paid 396 grants amounting to \$51,645.58. The General Board paid 140 grants in donations amounting to \$55,276.33, and granted loans amounting to \$72,650.00.

The department of savings fund for church building established a year ago has, in this brief time, proven its right to a place of prominence as an abiding feature of the work.

At the last annual meeting of the General Board it was unanimously decided to increase the assessment for Church Extension from \$140,500.00 to \$175,000.00, which is 25 per cent. Your Board commend this action and cheerfully take their raise in assessment.

In our entire connection we have 3000 houseless congregations, 177 of which are in the bounds of the Texas Conference. Thus at our own door the silent, and often the personal appeals of our people are sufficient to justify us in undertaking to do much more than we have done for this "Right Arm" of the Church. Certainly it will encourage us to do much more than we have yet accomplished. Church Extension has conserved and fostered our interest where we would have had to surrender our vantage ground, and sustained the loss of congregations which are now flourishing and returning to us the help their cooperation affords in the propagation of the gospel and the widening of our territory.

We are gratified to note that the loan fund has been increased in the last year by \$17,000.00, showing that our Church Extension work is increasing and growing in the affections of our people, as a result of the great work it is doing and the greater work possible to it in the future.

In consideration of the foregoing facts your Board would respectfully recommend:

That on account of increasing needs as indicated by increasing requests for aid, all our pastors be urged to help in every way possible to advance the amount of our loan fund until we have secured enough in addition to what we have to raise this fund to \$500,000.00. The present amount of this fund is \$238,343.43. This work may be

done by the pastors' interesting our people in the work and its vast possibilities in the future.

The Conference has raised the assessment this year \$4,182.57—an increase of \$182.15. This is good considering the financial conditions. But we must do better as this is only 85 per cent of the assessment. Some conferences are taking full collections and special additional assessment, while we are falling short of full collections.

**Report of Sunday School Board.**

After a careful examination of papers and statistics submitted to us, we are gratified to note a substantial increase in interest and membership of our Schools. The importance of this work cannot be exaggerated. By the reports submitted to the Conference we are glad to record that the pastors and Sunday School workers of our Territory are making decided progress, and that there was an increase in the number of schools of 1482 and of pupils 43,490. Also a large increase in the circulation of our literature.

We desire to congratulate the Sunday School editor on the splendid character of the literature. And to say that it equals the very best, especially do we note the enlargement and improvement of the magazine. Recognizing the imperative need of a more efficient teaching force, we urge the forming of more study circle classes.

The Board having the State Methodist Sunday School Conference matter before it desires to heartily commend the same and for the purpose of aiding the movement in common with other Conferences, decided to set apart \$75.00.

Your Board having received a communication signed by the Sunday School Editor and Secretary of Church Extension Board as to a Birthday Offering from the Sunday Schools of this Conference to be devoted to aiding church extension work in Oklahoma, approve of the same, and advise an offering from each school for this purpose.

Whereas the former chairman of this Board, R. M. Kelly in 1904 at Marshall, Texas, pledged the Sunday Schools of this Conference in the sum of \$1,000 for the endowment fund of Southwestern University. Resolved, That we as a Conference undertake to assist him in raising the same.

Your Board especially desires to call attention to Paragraph 43, of Discipline, and urge that presiding elders see to it that a Sunday School Institute be held each year within the bounds of their districts, the same to be held in connection with the District Conference if possible.

Your Board being requested by Dr. Cook, of Nashville, to appoint delegates to the Young People's Missionary Convention to be held in Pittsburg, Pennsylvania, hereby appoint D. H. Abernathy, of Pittsburg, Texas, and W. M. Stone, of Caldwell, Texas, as delegates.

**Report of Epworth League Board.**

We have before us the report of the General Secretary of our Epworth League Board, and we are cheered by the recital of the progress made during the year now closing, and by the promise and hope of larger success in the year before us. We note that the year closing has been one of unusual growth in the membership of the League, and that the efficiency of the whole organization has been greatly increased.

Within the bounds of our own Conference these evidences of growth and development have not been lacking. We have had substantial numerical growth, and we have had spiritual enlargement as well. The League has given some choice young men to the ministry and led some of our consecrated young women into spheres of definite life service.

The literature of the League, already rich and wholesome, is growing in completeness and efficiency each year. In the work of every department an ample supply of printed matter may be had without money and without price. We urge our pastors and Leagues to keep themselves furnished with this matter, and thereby keep informed as to the details and methods of work. We commend the Bible Circle Quarterly and the Quiet Hour Quarterly as helps in the systematic study of the Scriptures. The Junior Topics Quarterly and "The Gang of Six" will be specially helpful to Junior League workers. The Epworth Era, the general organ of the League, is indispensable to our work. We note, with pleasure, that the Era maintains its high place among the religious journals of the country, and its circulation for the current year has reached the highest mark in its history; and further that it is perhaps "the most widely circulated religious newspaper in the Southern States."

Your Board commends for your consideration:

First: The importance of District League organization. The Texas Conference has made advancement here during the past year. Every District ought to be organized.

Second: We urge the importance of the League Mission Study Classes. Nowhere can the Missionary Spirit of our young people be more thoroughly aroused and developed. Such study would tend to bring our workers into sympathy and hearty co-operation with the idea of supporting a missionary or missionaries as a special distinctive work, which work your Board heartily commends.

We have before us a communication from Dr. Ed F. Cook, in charge of the Young People's Missionary Movement among our Leaguers, touching the appointment by your Board of two representatives from the League of our Conference as delegates to a great Missionary Rally to be held next April in the city of Pittsburg. We look upon this request with favor, and recommend the selection of Tom C. Swope, of Houston, and O. F. Alberson, of Tyler, as delegates to this Pittsburg Convention.

Third: We recommend the League Assembly idea, and especially our own League encampment at Epworth By the Sea. We are informed by the officers of the State League that the Fourth Annual Assembly has been fixed for August 5-15, 1908. The Program Committee promise us a great treat for our next annual meeting. We urge our pastors and Leaguers to attend.

In obedience to the request of the officers of the State League, officially communicated to your Board, we recommend the election of the following members to fill vacancies as trustees of the Texas Epworth Assembly: Rev. T. S. Armstrong and Mr. W. E. Hawkins, of Northwest Texas Conference, and Rev. Ellis Smith, of our own Conference.

Fourth: We nominate W. H. Crum and E. W. Potter to fill vacancies on the Board caused by the transfer of S. R. Twitty and J. M. Perry.

C. A. HOOPER,  
H. T. CUNNINGHAM.

### ORPHANAGE.

To the Texas Annual Conference:-

In the report of the Board of Directors of the Methodist Orphanage they assure us that the grounds are neatly kept and the buildings in good repair; the business of the institution is managed with frugality and economy; the children are well clothed and fed, and in all respects are given a comfortable home. There is an excellent school taught by Professor T. D. Thomason and Miss Nellie McCartney in the building of equal grade and efficiency with the public schools in Waco, with the addition of constant religious instruction and moral training. Besides this, with the aid of the good friends of the Orphanage over the State we have been able to place one of our girls in the North Texas Female College, one in the Training School at Terrell, one in the Alexander Collegiate Institute, one in the San Antonio Female College, while two others attend the Douglas Schuler in Waco. Some bequests have been made, and others are in contemplation that tend to make permanent our Orphanage and enlarge its usefulness. The noble women of our Church have sent a number of boxes of useful things for the children. Rev. Abe Mulkey continues to make mention of the Orphanage in his great work, and sends substantial help to the Home.

The Orphanage has been in operation about sixteen years. During that time five hundred and thirty-one children have been enrolled. Eight are now sleeping in the city of the dead. Twenty-eight have married; five are teaching school, while others have been placed in Christian homes, and yet others are filling useful places in the world. There are now one hundred and thirteen children in the Home, and of this number about fifty are members of the church, and one is preparing for the ministry.

The Board of Directors, in consideration of the great advance in the cost of living, asks us to raise our assessment for the Orphanage from \$2250 to \$2500, which your committee, following the action of the other Conferences of Texas, cheerfully recommends.

Your committee desires to express its appreciation for the valuable information furnished it by Bro. W. H. Vaughn, the Business Manager of the Home. Respectfully submitted,

W. L. PATE, Chairman.

CHAS. U. McLARTY, Secretary.

### REPORT OF THE COMMITTEE ON SABBATH OBSERVANCE.

We deem the law of the Sabbath to have been fully entitled to a place in the standing revelation of God's will concerning man's duty, and to have formed no exception to the perfection and completeness of the law; because there is in such an institution, when properly observed, a sublime act of holiness. The whole rational creature standing still, as it were, on every seventh day as it returns, and looking up to his God—what could more strikingly proclaim in all man's ears that they have a common Lord and Master in heaven?

Because it is an institution of mercy. In perfect harmony with the gospel, it breathes good-will and kindness to man. It brings, as Coleridge well expressed it, fifty-two spring days every year to this toilsome world; and may justly be regarded as the sweet remnant of Paradise, mitigating the now inevitable burdens of life, and connecting the religion of bliss that has been lost with the still brighter glory that is yet to come. As in the former aspect there is love to God, so here there is love to man.

We uphold its title to a place in the permanent revelation of God's will to man, because of its eminent use and absolute necessity to promote highest interests. Christianity cannot properly exist without it, and is always found to thrive as the spiritual duties of the day of God are attended to and discharged.

We feel that the keeping of the Sabbath holy is in the hands of Christianity, and no means should be unemployed that looks to the honor of this day. Many things will present themselves to the enlightened heart and conscience as being against the sanctity of the day and whenever possible let each member of this Conference utter no uncertain sound in its defense.

We offer the following resolutions:

First. That we commend the spirit of our legislators in their efforts to sustain the sanctity and beauty of the Lord's day. We extend to them our co-operation and sympathy in legislation looking to the discontinuance of Sunday baseball games, excursions, Sunday theaters, and every other form of Sabbath desecration.

Second: That we preach upon this subject oftener than heretofore, and endeavor to awaken the people to the fact that the Sunday picnic, games, excursions and all social diversions of a public nature are destructive to moral and religious life as a people, and to individual piety. And, that we strive more and more to give the foreigners coming to our country the highest conception of the Lord's day, lest they drag us down, and we ourselves forget its sanctity.

Third: That we endorse and affiliate with all proper and legitimate means and organizations having this as their end and result. Especially do we recommend and endorse the Sunday League of America and its work.

W. H. CRUM, President.

#### THE SPIRITUAL STATE OF THE CHURCH.

We find that there are but few family altars and many of our people do not attend upon the ordinances of the Church as they should. We fear that our people are not as progressive spiritually as they are financially. We know that faith without works is dead, yet we realize that only those works are well pleasing to God which spring from an evangelical faith in Christ. Knowing that the support of the institutions of the Church and the spread of the kingdom of God, will enrich and bring temporal blessings to our nation, we should all be careful lest these things prompt us to contribute to the cause rather than love to God and our fellow men.

Let us not tithe our anise and cummin and omit the weightier matters of the law, justice, mercy and truth. We ought to tithe, but let it be the fruit of our faith in Christ.

We believe this to be the best age of the world, and we have more consecrated men than ever before in the history of our Church. Let us continue to urge our people to read God's Word, pray, work and pay for the spread of the gospel until every heart shall be filled with the love of God.

The number of conversions, the gifts to the poor, the contributions to the assessments and the institutions of the Church, the wide spread interest in education, the moral reforms which are going on, and the interest our laymen are taking in the Church are certainly unmistakable evidences of higher spiritual life in the Church of Jesus Christ.

Let us pray for an outpouring of the Holy Ghost upon our entire Church that we may have power with God and with man.

Respectfully submitted,

J. W. TREADWELL, Chairman.

#### REPORT OF COMMITTEE ON BOOKS AND PERIODICALS.

The official periodicals of our Church were passed in review in committee meeting, and after a conscientious consideration of their merits, we beg to submit our report as follows:

The Texas Christian Advocate, the organ of the Texas Conferences, has maintained its high standard of excellence, and has demonstrated its ability to successfully contend for civic righteousness under the editorial management of Dr. G. C. Rankin. We commend it for the wholesome pabulum it brings to our homes, and in pre-eminent sense for the magnificent fight it is making against the enemies of temperance reform successfully. We are gratified to report that its subscription list is increasing continuously.

The Christian Advocate, the central organ of our Church, is meeting the high demands required of it in a way to command the approval of the most exacting constituency. It appeals to the loyalty of our pastors and all our people to give it a place in our homes no other paper can take. In its mechanical form it has been brought to as high a standard as any paper of its class has ever maintained. Drs. Winton and Moore are giving us a paper loyal to all our connective interests, and it should receive the patronage of all our people.

The Review. The editorial management of Dr. Gross Alexander is giving us a Review which merits the patronage of every preacher and intelligent layman in the Church. He has continued to hold it upon the high plane on which the late Bishop Tigert placed it, and it has been improved in the arrangements of its contents, and in the range and diversity of the subjects treated from time to time. No preacher ought to be solicited to take it. He ought to seek the privilege.

The Epworth Era, the organ issued especially for our young people, richly deserves to be regarded as indispensable to their League work. None can study its devotional department without being prepared to participate in this important exercise, and none can assimilate its contents without having dormant aspiration aroused. And it is a necessity to the pastor who is in sympathy with the League and its work. Drs. DuBose and Parker are giving us a model of its kind, and there should not be a delinquent subscriber on its list.

Our Sunday School Literature has reached a higher standard than any of its class. There is not a factor involved in its several departments which is not worked with skill to make each do efficient service in the attainment of the objects in view. With such helps as it affords every teacher is equipped for the most excellent work, and we have never discovered an utterance suggestive of a doubt, but everything to confirm the faith of the fathers in the minds and hearts of the children. Dr. Chappell has proven his fitness for his responsible relation to our Sunday School work.

We earnestly commend the foregoing publications. They are ours. Each one appeals with equal force to the loyalty of preachers and people. They are the institutions of the Church, and they should command our patronage and approval in the highest sense.

We are gratified to report that our Publishing House interests at Dallas and Nashville are continuing to prosper commercially, and are sending out such literature as will honor our Church. Your committee would respectfully request Bishop Candler to assign Rev. J. E. Green to the duties of field editor of the Texas Christian Advocate.

CHAS. A. HOOPER, Chairman.

G. V. RIDLEY, Secretary.

#### REPORT OF COMMITTEE ON TEMPERANCE.

Your Committee on Temperance note with pleasure the unabated progress of the temperance movement in Texas. While we have lost a few counties that were a year ago in the "dry column," this we hope is only for a short time. We have made considerable increase in the number of "partially dry counties," and therefore de-

creased a number of counties that were a year ago under the absolute control of the liquor traffic.

The temperance sentiment is by no means becoming tired or discouraged. It is constantly gaining a deeper hold upon the consciences of men and its victory is almost in sight.

Other States of our Union are making rapid progress in this direction and altogether is a sure prophecy of victory for God and the right.

The Anti-Saloon League, under the brave and wise leadership of Dr. B. F. Riley, State Superintendent, is a mighty force whose power is being keenly felt, and is rapidly organizing the prohibition forces and equipping them for a more efficient work.

We recommend, (1) That this Conference note with pleasure the valuable and successful work of Dr. Riley, and that we pledge him our hearty indorsement and co-operation.

(2) That we do greatly rejoice at the victory already achieved by Dr. G. C. Rankin, editor of the Texas Christian Advocate, that his wise leadership and his courage have led us almost in sight of a complete victory in Texas; and

(3) That this Conference shall memorialize our representatives at Washington to support the bill known as the "Littlefield Bill," which contemplates amending the Inter-State Commerce Law, so as to put the C. O. D. liquor package under the regulation of the State upon its entrance thereinto. (Signed)

J. W. MILLS, Chairman.

A. A. KIDD, Secretary.

J. C. JONES.

**Report of the Woman's Foreign Missionary Society of the Texas Conference for Year Ending Sept. 1, 1907.**

Reports which have come from the center of our operations abroad are more encouraging than ever before. They show that rapid progress is being made, that ever widening opportunities are demanding more missionaries, better equipment and further extension. This means there must be greater activity among the women at home and larger gifts put into the treasury.

The work of the Texas Conference Woman's Foreign Missionary Society has advanced in every department of work since last Conference. Twelve auxiliaries have been organized. Four adult auxiliaries, namely: Franklin, Port Arthur, Orange and Durango. Eight juveniles, namely: Caldwell, Caro, Teague, Kosse, Reagan, Wheelock, Jewett and Lott. The Junior Epworth League at Wills Point is doing missionary work in connection with the Woman's Board of Foreign Missions. We have 58 adult auxiliaries and 31 juveniles, making a total of 89 auxiliaries, with 1600 members, a net gain of 8 auxiliaries and 284 members.

Ten scholarships are being supported. Two in China by Tabernacle Church, Houston and Fairfield. Three in Mexico by Shearn Church, St. Paul's and Center. Four in Korea by Cameron, Timpson, Timpson Juveniles and Longview. One by Dew location not given. Two Bible women are supported in China. One by First Church, Beaumont, and one by Caldwell.

We have 75 life members, 57 honorary members, 5 honorary life members, and 3 life patrons. A number of children are clothed by our auxiliaries in our school at Laredo; 353 Advocates are taken and 328 Little Workers. Since last Conference \$3312.94 has passed into our treasury; \$408.32 has been collected which did not pass through treasury, making a total of \$3721.26, a net gain of \$765.91.

MRS. J. E. GREEN,

Corresponding Secretary Texas Conference W. F. M. Society.

**Report of Committee on District Conference Records.**

The record of Tyler District was not before us. We examined the records of Pittsburg, Huntsville, San Augustine, Brenham, Houston, Jacksonville, Calvert and Beaumont Districts and report as follows:

**Pittsburg District**—We find these records neatly kept.

**Huntsville District**—The records are written in a legible hand; they are neatly arranged and bear marks of care.

**Beaumont District**—This record is well kept.

**San Augustine**—These records are neatly and carefully kept.

**Brenham District**—It is stated in the record that G. C. Lamar was in the chair without stating his relation to the Conference. We believe that the reference is to Presiding Elder Chas. R. Lamar. The minutes are not written in consecutive order. While it is stated that various pastors made their reports, no items from such reports are given. It is frequently stated that "previous question was called," when no such question is recorded. In some cases the ideas seem vaguely and inadequately expressed. For instance, it is stated that "A. A. Kidd presented the presiding elder with \$15.00 from the congregation to attend the Summer School of Theology in a few well chosen words." The minutes are not signed by the President or Secretary.

**Houston District**—The record contains no official roll and the reports of local preachers are not recorded. Otherwise the record is well kept.

**Jacksonville District**—This record is neatly and carefully kept.

**Calvert District**—The record is well kept, but does not contain the signature of the President.

We would suggest that all the districts use the regular book prepared for such records, and that the minutes be fully and carefully recorded; also that each record be on hand at the Annual Conference.

Respectfully submitted,

C. S. COBERLY, Chairman.

S. S. MCKENNEY, Secretary.

**Report of Board on Bible Cause.**

We have not been so fortunate as to obtain any data from the American Bible Society, or from any other source—except in a general way—upon which to base a report worthy of this great cause. Yet we know that the work of this society is being prosecuted in every land through its many agents commissioned to disseminate the Word of Life. It would be difficult to exaggerate the efficiency with which the American Bible Society has reinforced the efforts of the ministry in all parts of the world. Therefore in view of the great work that it is doing, and in view of the fact that all pastors are required and expected to present the claims of this cause to each congregation in their charge every year, we would urge all the pastors of this Conference to give the matter the attention it deserves.

We find from the report of our Conference Treasurer that there was paid in for this cause during this session of the Conference the sum of \$105.25, and that this amount was paid by 31 charges.

We recommend that Rev. Glenn Flinn be appointed Secretary to the Southwestern Agency of the American Bible Society.

A. S. WHITEHURST, Chairman.

M. F. DANIEL, Secretary.

#### Thanks.

Resolved, That we hereby express our most sincere thanks to the good people of Houston, for their abounding hospitality extended in opening their homes and hearts to us during the session of this Conference. We are truly grateful for the kind manner in which we have been entertained, and the cordial welcome we have everywhere received. We shall carry away with us a high appreciation of the favors shown us by our Houston brethren, Rev. J. W. Moore and his colleagues, who have labored unremittingly to supply our every want, and have seemed to vie with each other as to who could be most serviceable to us.

We are especially grateful to Bishop Candler for his kind, pleasant and wise presidency of this Conference, and who has delighted us with his untiring effort to give attention to the most ordinary detail with patience and careful thought. His Godly advice, his wise counsel, and his inspiring sermons will remain a precious memory in our hearts.

We return our thanks for the courteous tender of the pulpits of the various churches of the city; for the careful reports of the proceedings of this Conference by the press, and to the railroads for reduced rates and other favors.

## MEMOIRS

### MEMOIR OF S. W. JONES.

S. W. Jones was born in Illinois, May 18, 1828; moved to Texas in 1852, and soon after coming to this new country, was converted and called to preach. In 1856 he yielded to that call, and gave himself to that work for life, and was for years a useful local preacher, serving as a supply cheerfully and acceptably, in the years immediately following the war, when the work was hard, and the pay very meager. In 1875 he was admitted on trial in the North Texas Conference, at Longview, Bishop Doggett presiding, and at that conference was sent to the Mineola mission, where he had already served as supply the year before. In 1876 he was appointed to Winnsboro and Quitman circuit, where he remained four years. He was ordained deacon by Bishop Keener in 1872, and elder by Bishop Kavanaugh in 1880. He said of his experience as a preacher: "For thirty-three years I went wherever my Bishop said go, and through all these years, up to superannuation, God blessed my work." He served three years in the Confederate army, acting as chaplain part of the time, and coming out of those years of hard service, with a warm heart and strong faith in God. Brother Jones was a good man in every sense of the word, and had the respect and confidence of those who knew him best. His ministry was a useful one, and his life a blessing to others. For a number of years he has been too feeble to take regular work, and has been on the "honor roll," but he grew old gracefully, and held the affection and love of his brethren. The conference season was always a time of great joy to him, and when strength permitted, he was there, rejoicing in the victories and success of the church and his brethren. But now he has joined the Conference above; the weary feet are at rest. The days of toil, and waiting, are over, and he rests from his labors. As he came down to the crossing, he said to those around him: "I have finished my work; I have fought a good fight; I am looking for my Lord." These were his last words, and He, for Whom he had long waited, brought his release, and gave him welcome to the joys of the "home over there."

## MEMOIR OF REV. JOHN W. THOMPSON.

If greatness is faithfulness, we meet today in memory of a truly great man. John W. Thompson, son of Chas. Lee and Mary R. Thompson, was born in Tennessee, March 4, 1851; he moved with his parents to Lee County, Texas, where he grew to manhood on the farm. His father died when he was but a fifteen-year-old boy, and his chances in life were meagre indeed, his school training was very limited. His early life and environment were hardly such as to develop a preacher, or even a Christian. He was twenty-six years of age before he was converted, but it was a real conversion. September 5, 1877, at old Salem Church, in Lee County, while Brother Weems Wooten was holding his hand he felt the regenerating power of the blood of Christ, and knew himself to be then and there a sinner saved by grace. He soon felt the call to preach. Calmer judgment would perhaps have restrained him for a better preparation, but a consuming zeal, and a complete devotion to duty as he saw it, drove him at once into the work. He was licensed to preach Sept., 1879, and he served as a supply on Nails Creek Mission, in Lee County, in 1880 and 1882. He was ordained local deacon by Bishop Parker at Flatonia in December, 1885; served as a supply on Austin mission in 1886. The printed minutes show Josiah W. Whipple appointed to this work for that year, but he was evidently relieved and Brother Thompson placed in charge, owing to the latter's extreme age. Supplied the same work under the name of Merriltown circuit in 1888. In 1889 supplied West Point circuit; 1890, McDade circuit; 1891 and 1892, Pleasant Hill circuit. In November, of this year, he was ordained local elder by Bishop Fitzgerald, Conference meeting in Austin. He was at the same time received on trial in the Texas Annual Conference, and sent to Milano circuit. In 1894 again served Merriltown circuit; in 1895, 1896 and 1897, Durango circuit; 1898, Pleasant Hill circuit; 1899, Zion circuit; 1900, Rogers Prairie circuit; 1901, Ben Arnold circuit; 1902 and 1903, Milano circuit. In December of this year, he asked for and was granted the superannuated relation, the Conference being held in Bryan. He moved to Roundrock, Texas, and began the last great battle of his life—to buy a home and leave it free of debt. Alas, a note of \$220.00 hangs over that property. Brother Thompson was happily married to Miss Mattie J. Stewart Oct. 7th, 1886. No children were ever born to this union, but some four or five orphans found a home and a mother and a fathers' tender care in their humble parsonages. No more self-sacrificing or uncomplaining woman ever stood beside a Methodist preacher. I knew her when she drew a sack down a cotton row to supplement their meagre salary. In superannuation she did public washing and sawed the family wood to meet expenses. Not a lowering of social standing, but mighty hard work for a frail woman. The largest salary he ever received was \$370.00. Brother

Thompson was not a great preacher, but souls were converted under his ministry. He was not a great leader of men, but no man ever more faithfully or wisely used the talent given to him. Always frail, for the last fifteen years of his life he fought that terrible disease, cancer. His all was given to his Master and the church. Even the home he worked so hard for is willed at the death of his wife and adopted child to the Methodist Orphanage at Waco, and the trustees of superannuates' home. September 1, 1907, softly stole the shades of that Sabbath evening while the angels hovered close to earth to bear his immortal spirit to the very throne of God. Not dead, only just now beginning to live.

"It is not death to close  
The eye long dimmed by tears,  
And wake, in glorious repose  
To spend eternal years."

B. W. ALLEN.

#### REV. STUART NELSON.

Rev. Stuart Nelson, of the Texas Conference, fell on sleep June 9, 1907, at 6 p. m., at his home near Mt. Pleasant, and on June 10, at 6 p. m., laid unto his fathers by the church and Masonic Order. Bro. Nelson was born in Jonesboro, Tenn., June 7, 1843. He came of good stock on both sides, his father, Judge A. R. Nelson, was a great lawyer and famous judge of Tennessee. He was one of the lawyers who defended President Andrew Johnson in the famous impeachment trial just after the war. I think the judge was a Union man, and I know his other sons fought in the Union army, but Stuart was secession to the core, and fought through the war in the Confederate army. He was as brave a boy as ever donned the gray or answered roll call. He went to Louisiana after the war and taught school at Mooringsport awhile. He was married to Miss Lucy Willis in 1872, with whom he lived happily for twenty-eight years, or until death took her in 1900. Eight children were born to them, five of whom are living. Bro. Nelson was a devoted Mason and had attained to the rank of a Knight Templar. This is about all we know of his secular life. Our data does not inform us as to when he began to be a Christian, nor when or where he was licensed to preach, but we know he had a sound Christian experience, which grew upon him to the hour of his death. He was raised in the Presbyterian faith, and while he ever held that great old church in high esteem, he could not preach its Calvinism; hence he became a Methodist and an intense Arminian in faith. He tested his religion and Lord from perhaps as many standpoints as any man of his times. In mirth, wit and repartee he was a prince; in his likes and dislikes he was equally intense; if he loved you,

he would die with you ; if he did not he would let you alone. (Only the abounding grace of God could have made him do it.) His sorrows were great (few, but his God knew them all). He never mentioned them or rarely ever. His seeming mirth to those who did not know him in the inner circle of his thoughts sometimes seemed to border on impropriety, but to those who knew, in such times it was a kind of safety valve that kept the heart from breaking. He joined the North Texas Conference in 1886, and was sent to Marysville charge, where he spent four years; then to St. Jo, where he stayed two years; then to Park Mission one year; Linden circuit four years; Gilmer two years; Mt. Pleasant two years; New Boston four years, and Trinity one year. Giddings was his last charge, where he served about four months before he failed utterly in health. This is the record, as far as I have it. This twenty years of successful itinerant life has but a short chronicle on earth, but the record, thank God, is fully written above. He was a fine preacher and a successful one, as the printed minutes will show. Dr. Ridley, our pastor at Mt. Pleasant, who was with him constantly during the three months of his sickness, in a letter to the writer, says: "He was happy in the prospects of death; repeatedly told me to tell the brethren all was well; though sick, he and the Master had many hours of happy communion together." All this in the face of the fact that he was leaving as helpless a family as a preacher ever left. Farewell, brave, suffering, noble brother, take now thy needed rest. I loved you, not only because you came from my native old East Tennessee hills, but because I knew you, your faults and all, and you were worthy to be loved. Hundreds mourn your going who rejoice in the hope of meeting you in Heaven. No earthly monument will mark thy resting place in the city of the dead (unless thy brethren raise it), but God will not forget, and He will find thy dust in the resurrection.
